HAYDOCK

DESCRIPTION

Haydock 23 is a prime new logistics and industrial development offering four high-specification units ranging from 20,380 to 155,990 sq ft. Designed to meet the latest sustainability standards, the scheme targets BREEAM Excellent and EPC A ratings, with features including solar panels, EV charging provision, and generous yard depths. Each unit is built to a Grade A specification with modern office space, secure loading areas, and high-performance floor loading capabilities.
